### Document Preferences

Citation Style:

- Elsevier Harvard (with titles)
- Harvard Reference format 1 (author-date)
- IEEE
- Modern Humanities Research Association 3rd edition (note with bibliography)**
- Modern Language Association 7th edition

Display Citations As:

Footnotes  Endnotes

Format Using:

Fields

Microsoft Word Fields are less likely to be accidentally modified, but cannot be shared with OpenOffice.  
The document must be saved in the .doc file format.

Bookmarks

Bookmarks are preserved across Microsoft Word and LibreOffice, but may be accidentally modified. For compatibility reasons, citations cannot be inserted into footnotes or endnotes when this option is selected.  
The document must be saved in the .doc file format.

Store references in document

Storing references in your document slightly increases file size, but will allow you to share your document with others without using a Zotero group. Zotero 3.0 or later is required to update documents created with this option.
